Wilson, Cole, Betz, and Bakken had presented our Emerald Ash Borer recommendations at a City Council work session. The Council decided to do in-house as much as possible of the ash tree removal with removal to begin soon. The same Tree Board members did a Saturday visit to Nord-Kalsem Park and Centennial Park to mark initial trees for removal. There were 5 or 6 in Nord-Kalsem including one near the shelter. They marked trees along the south border in Centennial.

Wilson will prepare a flyer describing the Emerald Ash Borer plan for the next water bill. It will be reviewed by city lawyer and to City Council by March 19th to be in the water bills.

Cole is working on a Trees for Kids grant application.

Next meeting will be April 15th, 6:30 p.m. at the 3C's
