City Services

Water & Sewer Utility Billing

An application form, copy of driver's license, and a \$120.00 deposit is required for all new accounts. The deposit is credited to a homeowners account after a year of prompt payments has been established. The deposit will be applied to the account in the anniversary month of the move in date. The deposit will be noted on the bill when it is credited. Renters receive their deposit after they finalize their account.

Water Rates:

\$17.15 monthly base fee
\$4.45 per 1,000 gallons of water consumed
Water Excise Tax: 6%

Sewer Rates:

\$25.00 monthly base fee
\$4.45 per 1,000 gallons of water consumed

The above figures are used to determine your monthly bill regarding the water that is consumed in your household. The city has second meters available for those who use large amounts of water outside their homes. The sewer charge is waived on the second meter. For further information on a second meter, please contact the Utility Clerk.

At the beginning of the month, city personnel will read the meter(s) at each residence to determine water usage. Bills are then sent out around the 20th of each month and are to be paid in full by the 10th of the following month. A \$10.00 late fee will be added to each account that is delinquent. If water is disconnected for any reason, a \$50.00 reconnect fee will be charged to have water reestablished.

Several payment options are available:

Location:	Accepted payment forms:
City Hall	Cash, Check, Money Order, Debit or Credit Card
Drop Box (City Hall Parking lot)	Cash, Check or Money Order
Online www.HuxleyIowa.org	Debit or Credit Card
US Mail	Check or Money Order
Automatic Withdrawal	Automatically drafted from your checking account on or around the 10 th of each month. Form available online or at City Hall.

If you move from Huxley, or to a different property in Huxley, you will need to contact the Utility Clerk and make arrangements to final out the account. If this is not done, all water and sewer usage will continue to be billed to you.

Building Permits

Before beginning any construction, be sure to check with City Hall regarding any permits you may need.

Licensing of Pets

According to the animal ordinance for the City of Huxley, all cats and dogs four months or older must be registered with the City each year. A current rabies vaccination is required at the time of registration and the fee is \$10.00 per pet. This must be done each year in the month the rabies vaccination expires. The tag will also help the City find out who owns a lost animal and get it back to the rightful owner. Failure to register your pet could result in a citation and fine.

Severe Weather

When there is a report of severe weather headed in the general direction of Huxley within a 30-mile radius, the following will happen:

1. The sirens that are located in town (one at Centennial Park, one at Nord Kalsem Park and one on the south end of Prairie Ridge) will be sounded and will continue to sound.
2. The City of Huxley does provide a shelter for those that do not have shelter of their own. The Safe Room, located on the north side of City Hall, will be unlocked when sirens are sounded or with the first sign of severe weather.
3. There will NOT be an "All Clear" signal given after the storm is over. Officers will stop by the Safe Room when it is safe to go home.

Snow Removal

After one inch of accumulated snow, parking on any city street in the City of Huxley is not allowed. The streets that are marked "Snow Route" will be the first streets plowed for safe travel. After the snow routes are plowed the remaining streets will be cleared in no particular order.

Once the removal of snow has begun, police officers will start issuing citations to the vehicles left on the street. Citations will cost \$25.00. The vehicle also has a chance of being towed at the owner's expense.

City Alerts

Sign up for city alerts (snow ordinance, water main breaks, street closures, etc) delivered via text or email on our website or by calling City Hall.

City Council

City Council meetings are held at 6PM on the 2nd & 4th Tuesday of each month in the Council Chambers located at City Hall. Everyone is welcome.
