

Pickleball, one of the fastest growing sports in America, involves a court and a net. And, no, it's not tennis or badminton, it's pickleball. Yes, *that* pickleball, the one your grandma plays, and the one you may consider beneath your athletic pay grade. *Time to rethink that.*

WHAT IS PICKLEBALL EXACTLY? For the uninitiated, pickleball is something of a mix between tennis, racquetball and ping pong. Players use special paddles and a whiffle ball, and games take place on tennis courts with specific pickleball lines. Nets and court sizes are smaller than their tennis counterparts, and the most common game is doubles.
