

CIRL VOLLEYBALL

IMPORTANT PROGRAMMING INFORMATION

Huxley Parks and Recreation is trying to offer opportunities for youth to participate in a sports setting during this difficult time. These programs will likely look different from past years; however, our hope is to continue to provide activities for children in a safe environment. When registering for these or any of our programs it is important to understand the following:

- Program dates are guidelines and can change without notice due to circumstances beyond our control.
- All registrations will be *pending*. We will take payment information; however, payment will not be processed until we are certain the program, in some capacity, will take place.
- When registering for a program or activity, understand that our environment is very fluid and you must be understanding of change.
- We will do our absolute best to offer a quality, safe, and fun program/activity for your child.

Small group practices will move toward team development as the season progresses. These small group practices will be run by Parks and Recreation staff and/or parent volunteer coaches. Any game play will be determined at a later date and coordinated through the CIRL. Specific group dates and times will be determined once the registration deadline has passed.

Who: Grades 3-6

When: Tuesday's, and Thursday's September 8—October 20

Where: 3 C's Gym

Time: Practice times determined by coaches, games between 6 and 8pm. Exact times announce later.

Fee: \$65 Ballard students/\$77 Non-Ballard students (includes uniform top)

Registration Deadline: Deadline is August 14. All participants must register online at www.huxleyiowa.org OR in person at the 3 C's. Registration fees will be processed once we are certain program will take place.

Volunteer/Parent Coach: We need many volunteers to help provide this program, as groups and teams will be smaller than normal. Please let us know if you are interested.
