

# CITY OF HUXLEY EASTER EGG SCAVENGER HUNT

Find the location in Huxley that the clue leads you to. Locate the hidden egg and color the egg on your sheet to match it. Once you've located all the eggs, bring your completed sheet to Huxley Parks and Recreation on Saturday, April 3rd between 10am and 11am and the Easter bunny will give you a bag of treats— until candy runs out.

I've got 8 sides and you go inside me to play a game similar to dodgeball.

This place has so many things to read, watch, do and learn that it'd be impossible to run out — and the best part is, it's free!

You might see a lot of snowmobiles here in the winter, but now that it's Spring you'll spot walkers, runners and bicycles galore!

There are no trains here anymore, but it just might be the best place in Huxley to catch a Summer outdoor concert!

It might be Huxley's smallest park, but you can find the tallest structure in Huxley here!

The most popular sport in the world is played here. While it didn't originate in the US it's a popular Spring and Fall activity for kids in Huxley!

Did you know there are over 100 kinds of trees that are native in Iowa? Walk the trail here to see and learn more about some.

If all the egg hunting is making you feel hungry, you can go here to buy a healthy snack — as long as it's not Sunday!
